This resolution would create the “Library Advisory Committee”. Its purpose is to help facilitate the design, function, and construction of the new proposed library facility.

Recommended motion (by resolution):

“I would introduce Resolution 1451 and move for its adoption.”

The Council President then reads the resolution by title:

“A resolution creating a library building advisory committee in the City of Ogallala, Nebraska.”

The Council President asks:

“Is there a second?”

After the second the Council President calls for the vote.

After the vote the Council President declares:

“Resolution 1451 is adopted.”

- E. Library – Agreement with Library Foundation regarding funding for asbestos abatement and demolition of proposed Library site (Progress School).

As you know we have discussed an arrangement in which the Library foundation would transfer funds to the City in order to cover the cost of asbestos removal and demolition of the Progress Elementary Site, which is intend to be the home of the new Ogallala Public Library. This contract solidifies this arrangement. In actuality this would be an agreement with the Nebraska Community Foundation who would be acting on behalf of an affiliate fund of the Keith County Community Foundation Fund.

Mike is working on this contract and should have it completed by Monday. It should be relatively straight forward and I will send it on as soon as it is available. We certainly can take our time reviewing the contract Tuesday Night if there are any questions or concerns.

Recommended motion:

“Move to approve the agreement with Library Foundation regarding funding for asbestos abatement and demolition of proposed Library site (Progress School) and authorize the Council President to sign the agreement, should further changes be required authorize the City Manager to approve the changes and authorize the Council President to sign the same.”

After the motion receives a second, the vote is called for.

After the vote, the Council President declares:

“Motion carried.”

Or;

“Motion failed.”

- F. Planning and Zoning – Request for parking lot improvements on Lot 3 of Plunkett Original Addition Replat # 1, A replat of Lots 3, 4, 5, Plunkett Original Addition - (Wal-Mart).

As you know Wal-Mart is requesting to install a gravel lot and drive. Code says that when an improvement is made that they would have to improve the road and utilities.

They are asking that this requirement be waived. Since our last meeting we have installed no truck parking/access signs on Pony Express and Oregon Trail. This does appear to be working.

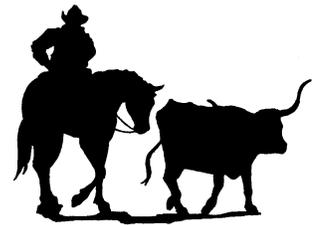

Recommended motion:

“Move to (allow or disallow) the request for Wal-Mart to construct temporary parking lot improvements to Lot 3 of Plunkett Original Addition Replat # 1, a Replat of Lots 3, 4, 5,

Plunkett Original Addition and construct temporary ingress and egress improvements to City right-of-way adjacent thereto provided said improvements are maintained solely by Wal-Mart. "Temporary" meaning not to exceed two years after construction is completed.

After the motion receives a second, the vote is called for.

After the vote, the Council President declares:

"Motion carried."

Or;

"Motion failed."

G. Public Transportation – Substance Abuse Policy.

This new substance abuse policy is a requirement of the FTA (Federal Transit Authority) and NDOR. Our current policy does not meet federal requirements.

This policy is required to be approved by Council and in required in order for us to maintain our funding.

Recommended motion:

"Move to adopt the Ogallala Public Transportation Substance Abuse Policy."

After the motion receives a second, the vote is called for.

After the vote, the Council President declares:

"Motion carried."

Or;

"Motion failed."

H. Street – Purchase of Ice Slicer.

As you know the City uses Ice Slicer to help with winter driving. This material cost us about \$50,000 a year. Although this year we spent \$45,765. If we order at this time we can save about \$2,000. The bill would not be due until next fiscal year but by ordering now the city would be obligated to an expenditure that was not approved in the budget process for the next fiscal year.

I believe I need council's approval to obligate funds in a future budget year. Richard would like to order approximately \$40,000 in product.

Recommended motion:

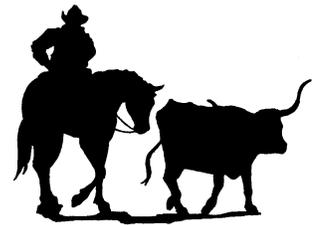

"Move to approve the purchase of Ice Slicer."

After the motion receives a second, the vote is called for.
