CC: City Council

FROM: Aaron Smith, City Manager

RE: Water chlorination

The City of Ogallala Water department will be conducting a maintenance chlorination starting Wednesday January 6, 2016 and continuing until Monday January 11, 2016. The chlorination is to ensure water quality while the recently repaired ground storage facility is put back in use. If you have any questions, please feel free to contact John Sauer, Water Superintendent at 289-1033.
