NEBRASKA DEPARTMENT OF ROADS
NOTICE OF HIGHWAY PUBLIC INFORMATION MEETING
Tues., August 5, 2014; 4:00 – 6:00 PM MDT

Information Open House Public Meeting
Paxton Community Center, 207 N. Oak St., Paxton, NE

STP-30-2(139) *Roscoe to Paxton*; C.N. 61462

The Nebraska Department of Roads (NDOR) will hold a public information open house regarding a proposed improvement of US-30 in Keith County. The meeting will be held at the Paxton Community Center, 207 N. Oak St., Paxton, on Tues., August 5th, 4:00 – 6:00 P.M.

Identified as ***Roscoe to Paxton,*** the proposed project would resurface 11.49 miles of US-30, starting 0.39 miles east of the unincorporated limits of Roscoe, and extending east 0.21 miles west of the intersection of US-30 and L-51C.

The purpose of this project is to preserve the US-30 transportation asset, improve the reliability of the transportation system and perpetuate the mobility of the traveling public. The need for this project is based on the condition of the roadway surface.

The planned construction would consist of milling (a process of grinding of the roadway surface) and resurfacing the existing roadway and surfaced shoulders with concrete white-topping and asphalt respectively. The entire segment of US-30 would have milled rumble stripes installed on pavement edges.

No acquisition of additional property rights, right-of-way (ROW), or temporary easements are anticipated. Wetland impacts are anticipated and would be mitigated.

Construction could begin as early as spring of 2016 and be completed as early as fall of the same year. The proposed project would require detouring US-30 traffic; a designated detour would be provided, and utilize US-26, Interstate 80, and Nebraska Link 51C. Details will be available at the public meeting.

This public open house meeting is being held to provide information regarding the project, currently in the design phase, and to receive the public's input.

All interested persons are invited to attend and present relevant comments and questions. Design information will be displayed and personnel from NDOR will be present to answer questions and receive comments. The information "open house" format allows the public to come at any time during the advertised hours, gather pertinent information about the project, speak one-on-one with project personnel, and leave as they wish.

NDOR will make every reasonable accommodation to provide an accessible meeting facility for all persons. Appropriate provisions for the hearing and visually challenged or persons with Limited English Proficiency (LEP) will be made if the Department is notified by July 28th, 2014. Notification should be submitted to: Sarah Kugler, Public Involvement Coordinator, Nebraska Department of Roads, P.O. Box 94759, Lincoln, NE 68509-4759; Sarah.Kugler@nebraska.gov ; voice telephone (402)479-4871, TDD telephone (402)479-3834, Fax (402)479-3989.

Information regarding the proposed project will be made available on the NDOR website at www.transportation.nebraska.gov/projects/ by clicking on the "Roscoe to Paxton" link. For those without internet access, information may be obtained through the contact above or at NDOR Headquarters, 1500 Hwy 2, Lincoln, NE. For further information, contact Gary Thayer, NDOR District Six Engineer, (308)535-8031, Gary.Thayer@nebraska.gov.
