RE: Street Closing

Effective at 7:00 a.m. on Tuesday September 23, 2014, the intersection of East 2nd Street and East A Street will be closed for construction until further notice. The intersection is expected to be closed approximately six weeks. During this time, East A northbound traffic will be detoured east on Highway 30 to East D street, then north to East 4th Street, then west to East A street and then North on East A street. Pedestrian access to the businesses will be maintained during the construction. Crossing East 2nd will not be allowed within the construction zone. All pedestrians are asked to cross 2nd Street within the crosswalk at the Spruce Street and 2nd Street. Parking will be allowed on East A and Spruce Street during this time.

Thank you for your patience during this time.
