FROM: Aaron Smith, City Manager
RE: Street Closing

Effective at 7:00 a.m. on Monday March 23, 2015, the intersection of East 2nd Street and Spruce Street will be closed for construction until further notice. The intersection is expected to be closed approximately five weeks. During this time, Spruce Street southbound traffic will be detoured west on West 3rd Street to West A street, then south to First Street (Highway 30), then east or west to desired destination. There will be access to all businesses during this time.

Thank you for your patience during this time.
