

**Position Title:** Police Officer (Lateral Entry)

**Agency Name:** OGALLALA PD

**Category:** Law Enforcement

**Location:** Ogallala

**Description:** Who We Are: Ogallala, the heart of Keith County, the entrance to the Panhandle of Nebraska, is a diversified, welcoming community in which to live. With the completion of Prairie View K-8 school expansion, top-notch sports facilities and the Goodall Recreation center complete with indoor and outdoor pools, Ogallala offers families a great place to call home. Ogallala Community Hospital continues to grow to meet the demands of their patients, bringing quality health care to the area. Lake McConaughy, Nebraska's #2 Area Tourist Attraction is only a few miles away, providing many opportunities for family fun and recreational sports. Hunting is also a mainstay of the area. Continued growth is in the future for Ogallala.

What We Need: The City of Ogallala is seeking highly-qualified applicants for the positions of full-time Police Officers. Applicants must have a valid Nebraska Law Enforcement Certification, or certification in another state that meets the reciprocity requirements of the NLETC. Applicants must be able to work weekends, holidays, and rotating shifts. No written or physical fitness test.

Certification needs to be presented with application. Officers certified in Nebraska will be granted a lateral entry upon completion of the Field Training Program. Candidates certified in other states will be granted lateral entry upon successful completion of NLETC's requirements for reciprocity certification.

What We Are Offering: The City of Ogallala offers excellent benefits: comparable wages, overtime, training, and eleven paid holidays. A full benefits package including a health savings account plan, dental insurance, term life insurance, uniforms, and 7% retirement benefit. We have a top of the line Recreation Center, with membership included. You can live within 20 minutes of town.

Education/Training/Experience Bonus: \$3000. \$1500 paid upon completion of the Field Training Program, \$1500 after the completion of year one.

Interviews will be conducted on June 9, 2017.
